ELYSIAN GARDEN

PRINTED MATTE CURTAINS

Taking inspiration from the theme of Secret Garden, we present an exquisite collection featuring classic florals amongst illustrative branches and fences around the garden. Elysian Garden prevails in the core of nature. Brightly colored, bloomy flowers are digitally printed on these loosely woven slubbed textured bases and are ideal for drape as curtains. It has three different designs to it and is available in many exclusive colors. This luxuriant garden collection is perfect to brighten up your living space with a unique appearance.

BIZET

(07 Colourways)

A minimalistic yet elegant decorative stripe, to add up a charm of rawness to the space, Bizet has a watercolor effect with discharge print like floras running through it. The design is available in seven subtle colorways and drapes beautifully as a curtain adding a garden-fresh look to the area.
