Operating
System

Enjoy a new level of ease and control with our range of innovative operating systems available with Colby Blinds. This include both Top Down/ Bottom Up and Day-Night operating system, which lets you customize the position of your Blinds to fit your ideal level of privacy, light control and comfort.

Energy & Cost Efficient

Marvel Colby Blinds are the most energy efficient, specifically engineered to provide beauty and light control. It is a combination of soft, seamless fabric with crisp even pleats that hold their shape.

It has a layer of silver foil inside which offers insulation. The insulating cell construction helps restrict the outside air, keeping your home warmer in winter and cooler in summer. Colby Blinds provide cost-saving and energy efficiency.
