Ease of Control

Remote control for wooden blinds comes with a central thumbwheel that adjusts accurately and intuitively the tilting slats, the luminous intensity and the power of heat. The Up and Down arrow keys helps you to move the blinds to your desired position.

Ladder Tape Shades :

Sleek and Decorative Ladder Tape

Marvel has designed an attractive range of slim Ladder Tapes width 13mm which gives a sophisticated look and can complement your blinds. There are 17 colours available to choose from, and match to your selection of wooden slat. A different colour of ladder tape can also be used to give a contrasting look.

Naturally elegant and stylish

Traditional styling and Modern look, Rich Bass Wood & Exclusive Faux Wood slats ensuring Marvel Wooden Blinds complement all the interiors. Give your blinds a glamorous enhancement with a Valance which is hang to the top of your blinds, discreetly housing the operation mechanism and giving a fine finished outlook.

Prosper Designer

Whether you want to gently filter daylight without spoiling the view or close them for total privacy or filtered light. Wooden venetian blinds are a stylish and practical choice. Available in a range of materials, textures and colours, we have the perfect look for every room.
